# CCNSG SITE SAFETY PASSPORT

A Nationally recognised course administered through the ECITB/CCNSG designed to raise the awareness of client and contractor employees working at high risk sites – oil & gas, power generation, etc. – across the UK.

The course is run over 2-days and is designed to raise the awareness of employees of health & safety practice and common health and safety systems and precautions in place at high risk sites.

Delegates are asked to bring any their National Insurance Number as proof of identity and for inclusion on the registration and course documentation, together with other proof of identify documents such as drivers licence, passport or utility bill.

At the end of the course successful delegates will be issued with a temporary CCNSG Site Safety Passport - your full CCNSG Site Safety Passport will be posted to your home address by the ECITB/CCNSG SIX WEEKS after the course and is valid for 3-years from its date of issue.

## COURSE ASSESSMENT

Delegates are constantly assessed via tutor-led discussions and group exercise and by the end of units multiple choice assessment papers, for which the required pass mark is 16 out of 20 for each of the four assessments.
