MOBILE ELEVATING WORK PLATFORM OPERATION

2 to 3-day (dependent upon delegates experience and competency and judgement of the tutor) QualPass TSAR course aimed at providing delegates with the knowledge and skills to safely operate different categories of Mobile Elevating Work Platforms in their workplace. On completion of this course delegates will be able to competently prepare and set up the categories of MEWP they have been trained and assessed to use, together with how to safely shut down and secure the fork lift truck following use.

1318

The course references into the Provision and Use of Work Equipment Regulations 1998 and the Work at Height Regulations 2007

COURSE ASSESSMENT

Delegates will complete a mixture of theory classroom based sessions, together with practical use of the category(s) of MEWP; to be awarded an operator passport, delegates will be required to complete a written assessment and a practical assessment involving the pre-use operator checks, raising, manoeuvring (as necessary) and lowering the MEWP under the observation of the tutor.

COURSE SYLLABUS

Theory

- Safety rules and procedures
- Principal components
- Terminology and features which may affect the machine's safety
- Location and operation of all controls
- Basic Principals of the electrical system
- Basic Principals of the diesel engine
- Pre-start precautions and procedures
- Weekly inspections and servicing tasks
- Indicators—rated capacity, load radius (where fitted)
- Safe use of fall prevention equipment

Written and Practical Assessment

Written assessment on safe working practices associated with the operation of mobile elevating work platforms.

Practical assessment of the delegate inspecting a MEWP before use, operating the MEWP including the raising and lowering of the MEWP and where applicable manoeuvring the MEWP to another location from within the working platform.

Categories of MEWP training available:

Scissors, Mobile van mounted, Articulated Boom, Telescopic, Mobile self propelled, Mobile truck mounted

DELEGATE NUMBERS

Delegate numbers: 4 (maximum)

LOCATION

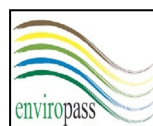

Delivered at our Neyland Training facility – for corporate clients this course can be delivered at their premises or a suitable third-party venue with a suitable area of the practical assessment to be conducted in.
